NUMBER 43

## ELECTRICAL INSPECTOR W. P. STAHLBERG DIES

William P. (Bill) Stahlberg, 75, part time electrical inspector for the City of Albany for the past 22 years, died Saturday at Albany hospital.

Although he had been ailing for some time, he had worked part of last week, entering the hospital on Wednesday.

He had lived at 1511 Marin Avenue for 42 years.

City flags are at half mast in respect to his memory.

A veteran of World War I, he had owned an electrical shop in Oakland from 1925 until the depression, worked in the Richmond shipyards during World War II and later owned Solano Florist Shop on Solano Avenue for about 15 years.

Mr. Stahlberg's death came two months to the day after the

tragic death of his daughter-in-law, Mrs. Raymond Stahlberg of Concord, as she was returning home from her daughter's wedding.

He was a member of St. Ambrose Catholic church; Holy Names Society of St. Ambrose; post 1010, Emeryville Veterans of Foreign Wars; Veterans of World War I of the USA, Berkeley; International Association of Electrical Inspectors, Industrial Brotherhood of Electrical Workers, local 10; West Berkeley Lions club and former member of Albany Lions club.

Survivors include his wife, Ida M. Stahlberg; son, Raymond A. Stahlberg of Concord; grandchildren, First Lt. Gary W. Stahlberg with the U.S. Army in Thailand, Richard D. Stahlberg of Concord, and Mrs. Barbara Rae Ryncarz of Concord; sister, Ida Strohmeyer of San Francisco. Two brothers, Ted and Gustave, preceded him in death.

Ellis-Olson mortuary is in charge of arrangements, which are pending word from the grandson in Thailand.

The Rosary will be recited at the mortuary and Requiem Mass will be at St. Ambrose.

### BURGLARY

Gerald L. Brooks of 1118 Cornell lost about \$700 worth of stereo equipment to burglars June 22.

### HOME FROM VACATION

Mr. and Mrs. Emerson B. Still of 1234 Solano Ave., have returned from three weeks in Wadsworth, Ohio.

## Council Agenda For Last Night

A relatively short agenda was before Albany City Council last night.

Fire Chief Gerald Browne recommended an amendment to the ordinance pertaining to burning, requesting hours be changed to 9 a.m. to 3 p.m. Tuesdays, Thursdays and Saturdays. The request was the result of a recent survey conducted by the department.

Pat Latvala of 1312 Portland wrote that she hoped there would not be a dog leash law.

The Admission Day celebration committee requested \$100; John Know and Howard E. Silva requested an off-sale general alcoholic beverage at Max's Liquors, 865 San Pablo Ave.

Mrs. Meredith Guttridge of 1203 Portland submitted a bill for car repair.

Administrative Officer James B. Turner requested a limit on dumping at the landfill for a period of time to give operators time and incentive to comply with regulations of other control districts, explained a constitutional amendment which would permit various funds now earmarked for statewide purposes only to be used for municipal purposes, and informed Council of a leave of absence for Elda Foot.

Up for second reading was an ordinance to reimburse council members for certain expenses; for first reading, suspending building on Albany waterfront.

Resolutions on the agenda appointed John Duncan to the Beautification and Improvement committee; erected stop sign at Kains and Garfield, supported AB 1797, and called for public hearing concerning undergrounding of utilities on Solano Ave.

It was expected that Council would adjourn in memory of William P. Stahlberg, longtime city electrical inspector who died June 29.

## Fireworks Are No-No in Albany

Unit III, Part 2, Chapter 1, beginning with section 12500 of the Health and Safety Code, prohibits the sale or use of fireworks under certain conditions.

The Albany Fire Department issues a caution that the ordinary citizen is not allowed the use of fireworks within our city and all such fireworks are subject to confiscation.

"Fire records reveal that in the past four years there is no indication that any fire cause has been due to the use of fireworks. This is an indication of the good control by our citizenry and they are to be commended for their fire safety consciousness," Fire Chief Gerald D. Browne said.

"Let us continue this record and lead the way for others to follow."

# Annual July 4th Celebration Thursday in Memorial Park

Albany's annual Fourth of July celebration will again be held at Memorial Park, Portland and Pomona Avenues.

Activities will get under way with a baseball game featuring two teams from the American Legion. At 11 a.m. the Horse-shoe Pitching contest for men will begin. While this activity is in progress, the Lions club will be directing their annual Watermelon Eating contest for boys and girls at approximately 12 noon.

The second game of the American Legion double header will begin around the same time, 12 noon. Square dancing in the high school auditorium will begin at 1:30 p.m. and continue until 5 p.m.

Meanwhile back at the park with the end of the baseball game, the family participation contest will begin with races for boys and girls from two years old and up. For the adults, men and women, there will be softball throw for distance and accuracy, football throw and perennial favorite, the egg catching contest. This year there will be an added feature for the adults, 50 yard dash for both men and women.

At the conclusion of the participation contests, a softball game featuring the Senior Division managers and the Little League managers will get under way.

The Alteen club food booth will be open throughout the day fea-

turing hot dogs, cotton candy, soft drinks, popcorn, etc. Free coffee will be served all day, courtesy of the Albany Chamber of Commerce and Safeway Stores, Inc. Ice cream will be distributed at approximately 1

p.m. again through the courtesy of the Albany Chamber of Commerce. Plan to be there and win one of the many trophies and ribbons.

There will be no fireworks distributed at approximately 1 gram this year.

## Thoughts For Independence Day

"That this nation, under God, shall have a new birth of freedom, and that government of the people, by the people, for the people, shall not perish from the earth."

—Abraham Lincoln.

We, and many other Americans, are sick. And tired. Sick of those who think the U.S. can never do anything right. Tired of those who think no other country can ever do anything wrong.

Sick of those who promote disobedience. Tired of those who ignore justice.

Sick of the brainless mobs who burn and loot. Tired of their apologists blind to the truth.

Sick of white racists who deny the black man the right to set up a home wherever he wishes. Tired of black racists who deny the white man the right to set up a business wherever he chooses.

Sick of those who are always demanding something. Tired of those who never want to give anything.

Sick of those who oppose helping even people who can't help themselves. Tired of those who favor helping even those who won't help themselves.

Sick of teachers who prefer to preach. Tired of preachers who fail to teach.

Sick of batheless boobs who are desecrating our colleges. Tired of the spineless educators who are letting them do it.

Sick of youngsters who scorn the wisdom of age. Tired of oldsters who spurn the ideas of youth.

Sick of those movie makers whose films reflect their depravity. Tired of those movie goers who support such screen scum.

Sick of the authors of latrine literature. Tired of the readers who elevate them to the best-seller lists.

Sick of those politicians who promise one thing and do another. Tired of those voters who blindly endorse them from one election to the other.

Sick of the mess we're all in. And too tired to say any more about it.—Washington Daily News.

## Kings Choristers At Westrae

The King's Choristers, musical ambassadors from the Grand Rapids School of the Bible and Music, Grand Rapids, Mich., will appear in concert at Westrae Bible church Wednesday, July 3, at 7:30 p.m.

The eight-voice mixed ensemble will present a program of sacred music including anthems, hymn arrangements, gospel songs and spirituals. Special selections are performed by soloists, instrumen-

talists, quartets and trios will also be high lighted in the service. An interesting aspect of the group's presentation is that they perform their entire program without direction. This is a new concept fostered by the school to give direct contact between the musician and the audience.

The unique character and purpose of the Grand Rapids School of the Bible and Music is to offer young people a technical training

in the Bible. Thus, the descriptive by-line of the school, "An Institute of Bible Technology," portrays the curriculum which is meeting a growing demand in our world of specialization. The public is cordially invited to attend, the Rev. Paul C. Reiter, pastor, said.

## Red Cross Asks Donations For GI Christmas Gifts

Twenty-one hundred Christmas gift bags filled with articles most requested by U.S. servicemen will be packed and shipped to Vietnam this summer by Berkeley Red Cross volunteers, George Conner, chapter chairman has announced.

Service-minded groups and organizations, as well as individuals, are invited to contribute gift items for the holiday packages designed to express the appreciation of the American public to its fighting men in Vietnam.

By August 1, all articles must be at chapter headquarters, 2116 Allston Way, in order to reach the men by Christmas. Mrs. Douglas McConnell, local chairman for the National Red Cross "Operation Shop Early" states, "All items must be new, and we are asked not to send any paperback books this year."

Nine hundred red and green drawstring bags are now being made by volunteers at the chapter to meet Berkeley's quota for "Shop Early." In each of these will be packed at least eight

small gifts for men on active field duty.

As part of Berkeley chapter's "Helpmate" project, 1,200 additional gift packages will be prepared for patients in the U.S. Convalescent Hospital at Cam Ranh Bay, Vietnam.

For the past year and a half, under the direction of Mrs. Lewis Giegerich, the chapter has sent monthly shipments of items requested for the comfort and entertainment of these men.

Among articles most frequently requested by servicemen are the following: writing tablets and self-sealing envelopes; pen-size flash lights with batteries; small plastic bags, soap cases and toothbrush holders; and pocket or diary-type calendars. Other popular gifts are suggested on a list available at the chapter headquarters, 2116 Allston Way.

For further information about the holiday projects for servicemen, call Berkeley chapter, 845-1430.

## Berkeley YMCA Dance Classes

Berkeley YMCA dance classes will continue throughout the summer every Monday night from July 8 through Aug. 12 with Joyce and Leonard Carter, instructors.

The class for beginners at 7:30 p.m. will feature the waltz and tango.

The intermediate dancers will meet at 8:30 p.m. for instruction in fox trot and rumba. Both classes join from 8:30 to 9 p.m. for fun dances and recreation.

Advance registrations may be made at the YMCA, located at 2001 Allston Way, Berkeley.

Editor, the Times:  
I'd like to see a dog leash ordinance in Albany.  
In Albany we don't have a tough dog leash ordinance.  
With a dog leash ordinance maybe we can stop many of the dog bites. And many of the wary dogs that fear up one's property.  
I work hard on my front yard. I am tired of cleaning up after someone's dog.  
I'm for a tough dog leash ordinance and would sign a petition.

## you'll be working for less again this year.

Oh, your poor appliances!  
Our six gas and electric rate reductions in the last five years mean they've taken some big wage cuts.  
And their future doesn't look any brighter. Appliances will be working at these lower rates again this year.  
Except for bigger energy demands during winter, the only way your PG&E bill can go up is when you add some new appliances to your domestic staff. And then you're still getting a bargain.  
So use our energy and save yours.

## ALBANY ADULT SCHOOL TO OPEN NEXT WEEK

The summer quarter of the Albany Adult school will begin on Monday, July 8, and continue for seven weeks through Aug. 23. A wide assortment of day and evening classes will be offered.

Students who have not yet completed their secondary education should note that the Adult school conducts a program leading towards acquisition of a high school diploma. Counseling is available, and part of this service is to locate previous school records, evaluate work experience, and recommend a course of study that would fulfill graduation requirements. Many students are surprised to find that through work experience, military duty, and job training, only a few courses are needed for a diploma.

The principal reports the summer quarter will offer all interested students a varied curriculum with most courses applicable toward high school credit. Academic subjects include English, mathematics, biology, foreign languages and history. A wide selection of business, homemaking, art, and music classes will also be available through the Adult school. Students with specialized interests might prefer attending such courses as rapid

reading, gardening, photography, electronics, psychology, drafting, pottery, real estate, parent education or swimming. Most classes will meet on the campus of Albany High school, 603 Key Route Blvd. Persons wishing further information should call 526-6441 and ask for the Adult Education department or for an appointment with the principal.

## Albany Groups Provide Flags at Vets' Hospital

Albany American Legion post 292, auxiliary unit and Albany Lions club were among 40 civic and fraternal and veterans' organizations participating in a Flag Day celebration at the Veterans' hospital in Martinez June 14.

The program included the dedication of an Avenue of Flags made possible through donations by the organizations.

Banners from all organizations were posted. As a patients' band from the Palo Alto Veterans' hospital played the National Anthem, 30 new American flags were paraded by Boy Scouts and posted around the curved driveway in front of the hospital.

The Legion post of Albany contributed two flags and one each were presented by the Albany Lions and Legion auxiliary. Names of groups sponsoring the Avenue of Flags will be listed on a plaque in the lobby. Flags will be displayed on all national holidays.

Bernard Robinson, hospital director, said, "This celebration is a significant event in the life of our hospital. Today's dedication was no superficial gesture of patriotism for the people who sponsored it are those who come to our hospital on regular assignments, contributing each day of the year to the lives of veterans hospitalized here."

"The stirring music of the band, the organizational banners and the smartly attired groups of Boy Scouts impressed everyone but underneath all we sense a strong love of country and a

enthusiastic dedication to the American dream and an undying respect for this nation's veterans. "This Avenue of Flags will remind us that this country still subscribes to the ideals embodied in our National Emblem. "As we enjoy this 400-foot panorama of red, white and blue, we will remember that, even as we make mistakes, we progress; even as we are sometimes divided over ways and means, we are one nation, indivisible."

## Sweet Adelines Are Busy Group

Talk about combining business with pleasure—well, that's what the Albany-Cerrito chapter of Sweet Adelines are doing during the Albany Adult school's three week vacation. They're just plain having a ball visiting other chapters.

First on the agenda was the Belles of Eden chapter of San Lorenzo, directed by Fred "Sammy" Gonzales. In attendance were Deanna Baker, Clara Chesnut, Elizabeth Collins, Sharon Dalen, Nancy Wachs, Yumi Nakazono, Sue O'Neal, Frances Roark, Linda Stover, and director Marian Caruso. There was chorus and quartet singing, Sammy and Marian took turns directing, and everyone enjoyed

the evening. Scheduled for the following two weeks are visits to a prospective chapter in Vallejo and Marin chapter in Kentfield. The business is singing (barbershop style) for fun and charity. Our pleasure comes from a pleased audience, especially those in convalescent homes and others to whom we can bring a ray of sunshine, not only through our voices, but through our gifts and donations. They are campaigning to broaden membership. If you can sing and have some free time, please call director Marian Caruso, 525-7358, or Nancy Wachs, 222-0121, or drop in at any meeting Monday night at Albany High

## Fourth of July Traffic Warning

"Drive as you would if there was a California Highway Patrol car following along behind you." This is the advice of CHP Captain W. Edkins on the eve of the four-day Fourth of July holiday week end.

"I'm just asking that drivers obey the traffic laws this week end, particularly in regard to speed, yielding the right of way to the other driver, and staying on the right side of the road."

"These are major rules of the road that, when broken, lead to accidents. Besides, if a driver consciously makes an effort to obey these laws he is not likely to violate any others, and his chances of getting into an accident-causing situation are reduced."

Captain Edkins emphasized that accidents do not happen only to persons who are taking a long trip during the weekend.

"In most cases, the people involved are less than 25 miles from home, and on roadways they are well acquainted with," he said.

Transit bus drivers will stop carrying cash, tickets and coupons on a round-the-clock basis, means of eliminating hold-ups and assaults on buses.

The proposal, he said, had the full approval of union representatives. "While bus crimes are not the problem here they are in other cities, the increase in assaults and hold-ups certainly is cause for anxiety."

Bingham, who recommended that drivers no longer be required to carry any stock, said he felt as much protection as possible should be given to employees and riders, not only in evening hours, but during daylight hours as well. Operators also will be asked not to carry

any personal money while on duty. Bingham, driver on Foothill Blvd. Line 40, was one of three assailants after he was robbed on Shattuck Ave., in Oakland. The board authorized a \$1,000 reward leading to the arrest and conviction of the men, to be added to reward funds being collected by Division 192 of the transit union.

The general manager said banks, savings and loans, department stores and other retail outlets would be asked to assist in the sale of tokens and tickets. Also under consideration is a monthly pass, which could be used on East Bay lines.

## PROPERTY TAX REFUNDS FOR SENIORS IN MAIL

Property tax refunds for Alameda County senior citizens, eligible under 1967 legislation, will be mailed beginning July 1, according to State Senator Nicholas C. Petris.

To qualify for a refund, the citizen must be 65 or over, own his own home, and have a total household income of less than \$3,350. August 31 is the deadline to file the claim forms with the State Franchise Tax Board.

Claims are coming into the Sacramento State Franchise Tax Board much more slowly than had been anticipated, according to State officials. "Many who are eligible do not know about the new law or misunderstand it," Senator Petris said today.

## Up, Up and Away . . .

THESE ALBANY GIRLS leave July 17 by jet for New York and on to a six-week European study tour. From left, they are Kathy Sturgeon, 604 Masonic; Ann Hulbert, 833 Hillside, and Marcia Blank, 1015 Ramona. They will be joining a group of 14 girls and two chaperones for the dream trip. Above they point to Albany on the left and the University of Durham on the map.

## Three Albany Girls Leave For Six Weeks in Europe

Wednesday, July 17, is D Day of the conquest of England by . . . departure day, that is, for three Albany girls. Ann Hulbert, Marcia Blank, and Kathy Sturgeon, all June graduates of Albany High School, will board a New York-bound jet and begin their six-week European study tour.

Under the auspices of the American Institute for Foreign Study, they will first visit New York, then take a chartered flight with other AIFS groups to Manchester, England.

From there they will be driven directly to the University of Durham where they will study for four weeks such courses as the Shakespearean Age and the history of the North.

The girls will stay in the great stone castle of Durham whose history reaches back to the time

of the conquest of England by William I.

Among the sidetrips planned by their chaperone, Mrs. Petersen, a Montclair school teacher, are Scotland, Ireland, and London.

After finishing their studies at Durham, they'll leave to view the famous sights of Paris from where they'll depart for home on Aug. 28.

Asked what they thought of the trip, they exclaimed, "It's the dream of our lives!" Their only regret, however, is that they'll have to eat a typical English breakfast of porridge each morning!

## SUMMER'S NOTE FROM ARTURO

### Coifs are a Flutter of Curls

Lighthearted curls, soft and casual, flutter about the head for a young and fresh summer look. The Angel Curl Coif curls at the sides and a shimmering, sweeping bang.

Curly Top is a froth of tumbling curls that beg to be fingered. Deceptively fragile looking, the curls snap back into place like magic.

The Flutter Curl Coiffure presents the wide open face bare forehead. Lazy, wandering curves move across the top. A right side part is new. Fluttering curls make the sides.

Whatever you do, do curl. Insure their staying power by starting with a permanent and a custom shaping. However they flutter, it has to be curls for a pretty look.
